

Appendix P.

Please reference NRS 426.295. At this time, by statute, the surcharge is not listed as a separate item, therefore I have no "sample bill".

NAC 707.020 Surcharge for program to provide devices for telecommunication to persons with impaired speech or hearing. ([NRS 426.295](#), [703.025](#))

1. On or before June 1 of each year, the Commission, after an investigation and hearing, will notify each carrier of the amount of the surcharge to be assessed and collected for the period from July 1 of that year to June 30 of the next year from each of its customers for the program developed pursuant to [NRS 426.295](#) by the Office of Disability Services within the Department of Human Resources. The surcharge will be assessed for each line of access and will be either a percentage of the basic charge for service to the customer or an equal amount for each customer in a class of customers. **An intraexchange carrier may not list the surcharge as a separate item on the customer's bill unless the intraexchange carrier demonstrates to the Commission that it would be unduly burdensome to comply with this provision.**

2. The Commission, upon its own motion or upon the petition of an interested person for good cause shown, will conduct a hearing to evaluate the reasonableness of the surcharge currently in effect.

3. The surcharge must be billed by each carrier to its customers on a monthly basis.
